REPORT

Name of the Event	: Faculty Exchange Program (Operation Research II & Analytical Geometry)
Date of the Programme	: 31.05.2022
Venue	: Government Arts & Science College
Resource Person	: M Shangeetha & S Paramesh Assistant Professor, Department of Mathematics, KASC, Sathyamangalam
No. of Participation	: 20 Students of Government Arts and Science College

As a part of Institutional MoU activity, Kaamadhenu Arts and Science College, Sathyamangalam arranged a Faculty Exchange Programme with Government Arts and Science College, Sathyamangalam on 31.05.2022.

1. M Shangeetha gave a Lecture on Analytical Geometry. This session enhances the students with creative knowledge which will be useful to work with theory. She also explained applications of analytical Geometry.
2. S Paramesh, Department of Mathematics from Kaamadhenu Arts and Science College has delivered a special lecture on Operations Research II for Second year B.Sc Mathematics students.

M Shangeetha, Assistant Professor has delivered a special lecture on Analytical Geometry

S Paramesh, Assistant Professor has delivered a special lecture on Operations Research II

Outcome of the Event:

- Incorporating analytical geometry into a faculty exchange program can provide students with a deeper understanding of concepts, improving their problem solving skills and open up new career opportunities.
- The faculty from KASC can bring unique experiences and knowledge from their own research, providing students with a more well-rounded education.
- In the faculty exchange program, students can gain valuable practical experience that can help them prepare for future careers in operations research or related fields.
