LIBRARY DETAILS:

ABOUT LIBRARY:

The Government Arts and Science College, Sathyamangalam was established in the year 2016. During that period library was equipped with a minimum collection of books. After that the General Library's collection increased to above 5000 books including online resources. This library is one of the largest repositories of information in this region. It is modern in terms of services, infrastructure and information technology applications.

The GASC Library System consists of General Library and 10 departmental libraries which collectively support the teaching, research and extension programmes of this College. All students, faculty members and employees of the Institute are entitled to make use of the Library facilities on taking library membership. Besides, the library has a huge collection of general books. It is proposed to establish a new building with various sections.

The Library has proposed to have access through mobile for the benefit of the students and faculty members facilitate easy access to the teachers ,students and Research Scholars.

The Library caters to the reading and reference needs of the students, faculty members, and office staff members. Our mission is to facilitate convenient and user friendly access to the current and relevant information by identifying, acquiring,organizing and retrieving information to serve the information needs of the students and faculty members of Government Arts and Science College, Sathyamangalam to meet their teaching, training and learning requirements.
