Annual Report of Faculty Development Programme/ Refresher Programme

Staff development is an essential aspect for development of quality in open learning system. It has mandated that all universities conduct staff development programme on regular basis for teaching and non-teaching staffs. Such programme may be in the form of Refresher Programmes (RP), Faculty Development Programmes, Orientation Programmes, Workshops, etc. The Uniqueness of the FDP/RP was that it was designed in a modular format which was in keeping with the flexible philosophy system. The Programme focused on the theoretical as well as practical aspects of learning from the general perspective and specific view point of the topic.

Total numbers of teaching faculties are participating in Faculty Development Programme (FDPs), Management Development Programme (MDPs), Professional Development / Administrative training programme during the last five years.
