OUTREACH PROGRAMME FOR THE GOODWILL

The institution served as a Covid-19 Vaccine Camp Point

14.09.2022 TO 16.09.2022

When the most infectious disease Covid-19 hits the whole world with its big stick and the entire nation was bewitched because of frightened lockdown. After few months, the vaccine was introduced initially for the medical man and woman and their related people. Then it was introduced to the public. During that time, our institution volunteers lend their supporting hands to the outside society. With the support of some NGO's from Sathyamangalam, medical teams from government and student volunteers the Covid-19 vaccine camp was conducted and executed successfully. To make these camp arrangements, the students worked unconditionally to serve the public.
